Volunteer every week,
or just once and a while.
The choice is yours!

WHICH VOLUNTEER ROLE SUITS YOU?

Information carts

Are you a people person? Are you happy to hand out maps and directions, ask for donations and be able to stand on your feet for a few hours at a time? Then the indoor role of information cart volunteer might be for you.

Cleaning and maintenance

Do you have an admiration for art and are happy to get hands-on and outdoors to help look after them? A roster of volunteers is needed for the daily care of the sculptures and trail signs. Come along as a group for a social morning, or use it as a quiet morning meditation.

Admin

Are you detailed, accurate and want to contribute away from the maddening crowds? We have a lot of administration that needs help with. You will need to use excel and word. Times and days flexible.

Outdoor ambassadors

We need volunteers to wander the 2 km sculpture trail to assist visitors with finding their way. You will need to be fit, and happy to work in the heat of summer. A great role to do in pairs!

Art workshop assistants

If you're creative and like working with children, you might like to assist us with our hands-on art activities. This is a creative, busy and fun role!

Gallery assistants

If you love art, know the difference between casting and carving, paint and patina, then you might be interested in assisting our Gallery Curator to keep our indoor gallery as gorgeous as possible.

WHY DO OUR VOLUNTEERS LOVE THE EXHIBITION?

If you volunteer you will get to be part of the excitement of the successful exhibition and help thousands of visitors enjoy the free, fun art event. You will also enjoy being alongside like-minded staff and volunteers, learning new skills, supporting the Friends of the Gardens and get to see 'behind the scenes' - plus you'll get a free exhibition t-shirt! Training days and invitation to the opening function are included.

"I get a real buzz out of welcoming people to the Gardens and talking with them about the different sculptures in the exhibition. It's always such a fabulous event". Laure

"I've met some amazing people and it's so nice to see the excitement of the visitors on seeing the great art works". Liz
